A lunch meeting that works!

Our networking lunch is a simple solution for those who want to network with other professionals to share information and to introduce yourself and your business. Surround yourself with other successful likeminded individuals and increase your visibility to prospective clients and referrals.

For the cost of a lunch, you will have the opportunity to showcase your business and make some worthwhile contacts! Bring plenty of business cards, brochures and flyers to promote your business. There will be a table available for promotional materials.
